

NICOLE WALTERS

Entrepreneur Business Strategist & CEO of NapNic

Nicole has worked as a client facing, business executive for Fortune 500 companies, in both sales and marketing for over 10 years. In her previous role with an S&P international healthcare organization, she managed business relationships with multibillion dollar corporations and independently facilitated pitching, prospecting, and client relationship management in the Mid-Atlantic and Southeastern United States.

After leaving the corporate world, Nicole established 'The Monetized Life'- a corporate consulting firm providing business and financial solutions to everyday entrepreneurs. In just 4 years, the firm has scaled to a multi 7 figure corporation, employing over 15 people.

With features in Forbes, Good Morning America, and the Today Show- as well as a Top 10 Podcast in the world, Nicole has become a fixture in the media and business expert space.

Presently, Nicole travels the world speaking to corporations and businesses alike- and provides 1:1 consultative services to Business to Business clients, Celebrities, and powerhouse entrepreneurs around the world.
